General Business

Dale Baker called the Meeting to order at 2:05 PM.

Herrick - Update

David Herrick presented an update on the research previously requested by the Committee with respect to extensions of sewers in future phases outside of what was the initial benefit plan. Members reviewed the summaries of the different boundary edges presented by Mr. Herrick and suggested a few changes. Mr. Herrick will return with an assessed value for the red area boundary as discussed. David again explained the 3 tier structure and how it could be set up. The lighter gray represents properties that are either partially or entirely in the water district. All others that are plain white or cross hatched are Ag land, Ag district property or are not in the water district.

Update-Developers

Guy Krogh is working on the Contract from the two Developers.

Next Chairperson for December 12, 2012 Meeting

CJ DelVecchio will be the next Chairperson.

DRAFT
