**Action: Site Plan Approval for proposed Airport Storage expansion at 8 Hillcrest Road, Town of Lansing Tax Parcel #44.-1-19, IR-Industrial Research Zoning District, Arno Finkelday, Owner/Applicant.**

Dear Ms. Jacobson:

This letter acknowledges your referral of the proposal identified above for review and comment by the Tompkins County Planning Department pursuant to §239 -l and -m of the New York State General Municipal Law. The Department has reviewed the proposal, as submitted, and has determined that it has no negative inter-community, or county-wide impacts.

The Department offers the following comments regarding the proposed project, which are not formal recommendations under General Municipal Law §239 -l and -m:

- The Site Plan notes the "Existing Treeline to Remain" which is located on the adjacent parcel owned by Tompkins County (Town of Lansing Tax Parcel #44.-1-20.1). As the Town assesses the impact of the proposal and its buffer to adjacent parcels, please note that treeline referenced is not under the control of the project applicant. If the Town determines that a buffer should be required it should be provided on the applicant's property.

Please inform us of your decision so that we can make it a part of the record.

Sincerely,

Edward C. Marx, AICP  
Commissioner of Planning
