

Lansing Town Center Committee
April 13, 2010 Meeting Notes

The TCC met with the architects on April 13 to see drawings for a town center and business development. They incorporated the ideas they received from Lansing residents at the January meeting. Needless to say a picture is worth a thousand words and their presentation was inspiring. A power point of their presentation will be available to the public on line and in the library as soon as possible.

The TCC will meet on May 5, 7PM at the Lansing Community Center to decide “where we go from here”. It is the goal of the TCC to have Lansing in a position to apply for grants that are available for this type of project(s).

Anyone interested in the work of the TCC is welcome at the committee meetings.
