The following report was available as a handout.

TOWN BOARD UPDATES
FROM THE LANSING COMMUNITY LIBRARY
October 18, 2017

1. **Cocktails & Costumes** – The Library’s adult Halloween party/fundraiser was held this past Friday the 13th. By all measures this event was a huge success! Nearly 160 community members attended and raised roughly \$8000 for the Lansing Library.
2. **Artwork** by local painter and potter Sharon W. Nelson will be on display Sept – Oct.
3. **Lansing’s 2nd Annual Ag Day** is being postponed until the spring.
4. **October Programs**
 - a. Lansing Town Historian, Louise Bement, presented “*Celebrating 200 Years of Agriculture in Lansing*” on Saturday, October 7th at the Lansing Town Hall.
 - b. Donna Scott presented “*Machu Picchu & The Galapagos: An Armchair Tour*” on Tuesday, October 10th at 7 PM. She shared pictures and stories of her recent trip to South America.
5. Our next **Family Sensory Storytime** is being offered by Debbie Geise at the library on Saturday, Oct 21st at 11 AM. This program is designed especially for children ages 3-7 with sensory processing challenges and their siblings. Email michellec@lansinglibrary.org to register for this event.
6. **Trunk or Treat** – The Lansing Library will be joining other local groups participating in a special Trunk or Treat event on Halloween night from 6-7:30 PM at the town center. This opportunity is free and open to the public.

7. A Look Forward:

- a. **Book Sale** – The Friends of LCL are hosting their fall book sale on Friday, November 3rd from 3-6 PM and Saturday, November 4th from 9 AM to 3 PM. Donations of gently used books are being collected through October 28th.

- e. **Artisan Fair** – The Friends’ annual Artisan Fair is scheduled for December 1st & 2nd.
- f. **Photos of Cuba with Dan Segal** – Tuesday, December 5th at 7 PM.

TOMPKINS COUNTY REPRESENTATIVE – MIKE SIGLER

Reviewed the following with the Town Board and the report was available as a handout.

**Tompkins County Legislator
Michael Sigler
October 18, 2017**

Hello and thank you again for having me. Again, I want to thank Marcia Lynch, the county’s public information officer whose reports I draw from liberally.

The legislature passed a tentative budget last night for 2018. The recommended budget will increase the County tax levy by 2.32%, compared to 2.4% in the Administrator’s budget. The recommended tax rate of \$6.57 per thousand is five cents (0.76%) less than 2017, and a penny less than the Administrator’s budget.

The recommended amended budget increases use of reserves by \$948,455. Tompkins County’s 2018 Tax Cap is 3.53%.

Some of the major new parts of the budget were in relation to the jail and how we handle those arrested in Tompkins County. Eight of the new expenditures related to recommendations of the CGR Jail Population Study report.

We approved \$300,000 in multi-year funding (first year of three years) to be set aside in the Contingent Fund to cover anticipated cost of 2018 jail board-outs. The New York State Commission of Correction has indicated it will revoke the Jail’s long-standing 18-bed variance at the beginning of 2018.

\$97,513 in target funding was approved to support one new criminal court Assistant District Attorney Position. Two new ADA positions had been requested by District Attorney Matt Van Houten.

We approved \$107,235 in multi-year funding (first of three years) for a Criminal Justice Coordinator.

I voted against the sequential intercept mapping project. It’s \$22,000 to underwrite a consultant-assisted program to assess and develop a plan to coordinate Reentry services. It was an 8 to 5 vote and was much too vague for me and frankly I think undercuts the arguments for the other valuable expenditures we’re making to cut the jail population.

We are also hiring a new Caseworker and Psychiatric Social Worker in the Department of Mental Health, focused on Jail services, and \$6,000 in one time funding was approved, as

Three residents spoke about the proposed CWDX3 and none of them support the CWDX3, as it is currently proposed. Their concerns are:

They reported they have a petition with twenty-three (23) signatures asking to have the proposed CWDX3 reconfigured by removing the portion of Buck Road (from Conlon Road to Route 34) which includes properties at #244-#433. The petition was given to the Town Clerk.

They stated they were misled when they signed the petition that they were interested in the proposed CWDX3. They noted they were interested in receiving additional information, not necessarily an agreement to go ahead with the proposed CWDX3. They stated either they don't need the water or they don't want the expense.

They asked for clarification on the Highway Department expense of \$757,093 pertaining to the labor for the proposed CWDX3.

MOTION TO CLOSE PUBLIC HEARING

All persons desiring to be heard, having been heard, Councilperson Doug Dake moved to **CLOSE THE PUBLIC HEARING ON THE PROPOSED CONSOLIDATED WATER DISTRICT EXTENSION NUMBER 3 (State Route 34, Bower, Buck, Conlon and Wilson Roads)** at 6:51 pm. Councilperson Andra Benson seconded the motion.

All in Favor – 5

Opposed – 0

Supervisor Edward LaVigne reported the petition was a guide to find out interest in the proposed CWDX3. He stated the labor has to be paid for by the residents in the proposed CWDX3; not the taxpayers because it only pertains to the residents within the proposed CWDX3. Supervisor Edward LaVigne noted the cost per EDU will be less because the highway department is able to do the work. He reported there were two previous information sessions regarding the proposed CWDX3. Supervisor Edward LaVigne suggested this should be tabled for now, see what other possibilities there are and discuss it more at the November 15, 2017 Town Board Meeting. He reported that if the proposed CWDX3 goes to a vote then the residents within the proposed CWDX3 will make the decision.

Councilperson Robert Cree and Councilperson Doug Dake stated they need to have more information from the Town Engineer and Town Counsel.

Councilperson Andra Benson stated she does not want the decision to be rushed.

Councilperson Katrina Binkewicz reported she would like more information for better clarity.

Supervisor Edward LaVigne tabled the proposed CWDX3 until the November 15, 2017 Town Board Meeting.

PARKS AND RECREATION REPORT – STEVE COLT

The following report was available as a handout.

Parks & Recreation Department

10/18/17

Town Board Meeting

RECREATION

- **Youth Soccer ended** last Thursday and was one of the best. The weather was amazing; we had a lot of kids playing and excellent parent coaches. The sessions get short at the ending dates due to the early sunsets.
- **Friday Fall Soccer** is a program and a partnership that we share with CRC. This program is popular and has been happening for several years. It is also a nice

transition for our in-house players if they want to extend their soccer experience. Starts Nov. 10.

- **Our Youth Football** programs are doing well and the Flag program will have their last game this Saturday. Our Small Fry teams' season ends next weekend October 28th.
- **The Youth Cross Country** event was held on October 7th on the trails. Over 70 racers participated. The event was very well done and the team from Corning came up for it again this year. Parking for big events seems to be the main issue.
- **Late Fall programs** are taking registrations now and include Gymnastics, Fall Baking Class, Jump Around, Boys Basketball, Girls Basketball, Bowling. The Gymnastics program only has 4 spots left before selling out.
- **Ski Program** is also taking registrations and the Ski Bus is almost full and sold out which will be one of the earliest sellouts ever. We may have to add another bus...
- **Ongoing Adult programs** include Cardio Step Class, AM Strength-N-Stretch, Open Swim and Fall Yoga Chi class.
- **Chess Club** for 3rd and 4th grade students is *a brand new program* that we will be offering starting in November. Andrew Westphal, a local dad has volunteered to teach/coach this program. It will take place in the Elementary School Library afterschool.

PARKS

- The Columbus Day holiday marked the end to this year's camping season. We were sold out and also enjoyed good numbers for camping late this year with the great weather.
- Pat, Wayne and Jon have been very busy breaking down all of the soccer goals and fields as well as getting the parks ready for the winter season. Soon they will be winterizing the water lines and stacking picnic tables.
- Our crew and the Boy Scout troop have dismantled the Bocce Court, (a previous Eagle Scout project) to be reassembled in a different location in the spring. A better location.
- Even though the late spring and early summer weather was very rainy, we were able to meet or exceed all of our Myers Park projected revenue figure for this year! We had a very strong middle and end of the season.

Steve added work on the dugouts started today.

HIGHWAY SUPERINTENDENT REPORT – CHARLIE “CRICKET” PURCELL

Cricket reported the following:

Flood Mitigation – All of these projects should be completed this week.

Wilson Road Speed Limit – He will give the Town Clerk a petition he received regarding the speed limit on Wilson Road.

Highway Improvement Reimbursement – Paperwork is being submitted for reimbursement of about \$289,000, which is expected by year end.

Dugouts – They have been started.

Winter – They are preparing for winter.

AGRICULTURE COMMITTEE REPORT – CONNIE WILCOX

Connie reported the following:

Two Hundred Years of Agriculture in Lansing – Louise Bement did a presentation on October 7, 2017. She did some nice boards that Connie would like to hang somewhere in

the Town Hall. Lin Davidson had a video running that was about environmental concerns, which was from Farm Bureau.

Agriculture Day – They are hoping to do another Ag Day in 2018. It takes about twenty-five volunteers to make this successful.

Soil and Conservation Grant – There is another grant available.

COMPREHENSIVE PLAN UPDATE – CONNIE WILCOX

Connie reported the following:

Public Hearing – The Planning Board Public Hearing is scheduled for October 30, 2017. Mike Long is taking comments, prior to the public hearing.

Mike Long, Town Planning Consultant, stated he is making a list of the main themes of the questions and answers and will send it to the Planning Board and Town Board.

PRIVILEGE OF THE FLOOR

A resident spoke about the proposed Comprehensive Plan and zoning changes. They stated a concern for the pace of development in South Lansing and proposed zoning changes in the Hillcrest and Triphammer Terrace neighborhood. The resident noted that when people settle in a neighborhood, they don't expect the zoning to be changed from R1 to Commercial. Another concern they reported is the amount of traffic on Hillcrest Road makes it impossible to safely walk or ride a bike there. The resident noted Triphammer Road is also very crowded. They reported they would like the development slowed down until the concerns are addressed.

RESOLUTION SCHEDULING PUBLIC HEARING UPON PROPOSED LOCAL LAW #8 OF 2017 A LOCAL LAW TO REPEAL LOCAL LAW #4 OF 2017 AND REINSTATE THE TAX CAP LIMITS OF GENERAL MUNICIPAL LAW § 3-C

Supervisor Edward LaVigne, reported the budget is currently about \$74,000 below the tax cap.

Town Clerk Debbie Munson, explained there will be a Special Town Board Meeting on November 8, 2017, for the budget items and the Regular Town Board Meeting will be on November 15, 2017.

RESOLUTION 17-134

**RESOLUTION SCHEDULING PUBLIC HEARING UPON
PROPOSED LOCAL LAW #8 OF 2017
A LOCAL LAW TO REPEAL LOCAL LAW #4 OF 2017
AND REINSTATE THE TAX CAP LIMITS
OF GENERAL MUNICIPAL LAW § 3-C**

The following Resolution was duly presented for consideration by the Town Board:

WHEREAS, on April 19, 2017, the Town Board adopted a local law to override tax cap limits set forth in GML § 3-C (Local Law #4 of 2017), and due to other NYS legislation allowing certain limited tax refunds under stated conditions, one of which is that no tax cap override may be in place at the time of adoption of a final budget for 2018, the Town Board has decided to repeal Local Law #4 of 2017, the Tax Cap Override Local Law; and

WHEREAS, said action is a Type II SEQRA action for which no environmental review is required, and upon due consideration thereupon, the Town Board of the Town of Lansing has hereby

RESOLVED, that a Public Hearing will be held at the Lansing Town Hall, 29 Auburn Road, Lansing, New York, being in the Town of Lansing, on November 8, 2017 at 6:31 p.m. to consider the adoption of proposed Local Law #8 of 2017, and to hear all persons

interested in the subject thereof, and to take such action thereon as is required or permitted by law; and it is further

RESOLVED, that the Town Clerk of the Town of Lansing, Tompkins County, New York, is hereby authorized and directed to cause a Notice of Public Hearing to be published in the official newspaper of the Town of Lansing, and also to post a copy thereof on the Town signboard maintained by the Town Clerk, in accord with law and at least 5 days before such public hearing.

The question of the adoption of such proposed Resolution was duly motioned by Councilperson Andra Benson, duly seconded by Councilperson Robert Cree, and put to a roll call vote with the following results:

Councilperson Andra Benson – Aye	Councilperson Katrina Binkewicz – Aye

ORCHARD APARTMENTS**

RESOLUTION 17-139

**RESOLUTION APPROVING MAP, PLAN AND REPORT AND SCHEDULING
PUBLIC HEARING UPON PUBLIC INTEREST ORDER FOR CWD
EXTENSION TO INCORPORATE REMAINING LANDS OF
CAYUGA ORCHARD APARTMENTS**

The following Resolution was duly presented for consideration by the Town Board.

WHEREAS, a petition and proposed map, plan, and report duly sealed by a NYS licensed engineer (“MPR”), has been submitted by the Town Engineer to extend the Consolidated Water District (“CWD”) to all of the lands of the proposed Cayuga Orchard Apartments Project (formerly known as Cayuga Farms) (hereafter, “Cayuga Orchard”), along Triphammer Road upon the balance of TPN 37.1-6-3.362; and

WHEREAS, a portion of the land in Cayuga Orchard is already in the CWD and some lands are not within the bounds of the CWD, and this process will be simply to include the balance of the lands and to assure continuity and the ability to locate and service mains along the public streets of such project, and the Town has thus determined that incorporating such lands into the CWD is feasible and to the benefit of the CWD, and thus the MPR has been reviewed by the Town Board and, upon the advice of the Town’s Attorney and Engineer, such MPR is accepted and deemed final, complete, and in compliance with Town Law §§ 209-c and 209-d, and the creation of said CWD water district extension is declared and deemed to be in the public interest, and the Town Board desires to now proceed towards completion of the extension pursuant to the authority of Article 12-A, and finds that all proceedings to date have been in compliance therewith; and

WHEREAS, after an examination of said MPR and related requirements of Town Law Article 12-A, and upon due deliberation upon the foregoing, the public interests to be served, and the properties to be benefitted thereby, the Town Board of the Town of Lansing has hereby

RESOLVED AND DETERMINED, that the said MPR has been reviewed and deemed preliminarily feasible, that such MPR complies with the requirements of Article 12-A and §§ 209-c and 209-d of the Town Law of the State of New York, that all proceedings to date have been in compliance with said Town Law Article 12-A, and that this extension of the CWD by boundary change is in the public interest; and it is further

RESOLVED AND ORDERED, that the Town Board hereby adopts an Order pursuant to Town Law §209-d as follows:

1. The land affected by this proposed district extension by boundary change are described as follows: p/o 37.1-6-3.362, 20.8 acres, as shown and described in the MPR, all together with the land surveys, metes and bounds maps and descriptions, and such other descriptions and maps as are on file in the Tompkins County Clerk’s Office for the foregoing tax parcel numbers and as described in the MPR (including Appendix A, therein), each of which is incorporated into this Resolution as if set forth here in full.
2. No current public improvements are expected for such district extension as this is infill upon a parcel where service is already available and a site plan approval already exists, but when and if any water service infrastructure is to be constructed or installed, the cost to the Town will be \$0.00 as all expenses and costs of improvement are the

responsibility and expense of the Developer, subject to the continuing approvals and permits of the Town and Bolton Point.

3. The maximum amount proposed to be expended by the Town of Lansing or the CWD for such extension is \$0.00.

4. The one time estimated cost of connection, including hook-up fees, is \$5,300.00, consisting of: a SCLIWC (Bolton Point) 3/4" AMI Meter (\$295.00); a Connection Fee (\$250.00); an Inspection and Permit Fee (up to 5 visits) (\$255.00); and a 1" Service line extension from curb box to home (cost will vary depending on length of service line and depth to bedrock, if encountered), with estimated average of 150 linear feet @ \$30/lf (\$4,500.00). The developer proposes to and shall pay all connection costs.

5. The annual assessed special district cost to the typical property is estimated to be \$155 per EDU, chargeable to each EDU in the Project. The Bolton Point water use and operation and maintenance expenses ("O&M") are a base charge of \$44.40 per quarter for 0-10,000 gallons, and \$4.44 per 1,000 gallons thereafter. The Town surcharge for O&M and delivery is \$1.06 per 1,000 gallons.

6. No district financing is applicable to this project, as all of the construction and improvement and permitting costs will be paid solely by the applicant landowner-developer.

7. The Map, Plan and Report are on file for public review and inspection at the Office of the Town Clerk.

8. The Public Hearing be and hereby is set for 6:35 p.m. upon November 15, 2017, at the Lansing Town Hall, 29 Auburn Road, Lansing, New York, and to thereat hear all persons interested in the subject thereof, being the extensions of the CWD as aforesaid, to thereat take all evidence presented, and to thereat take such other or further action as is required or permitted by law.

9. The Map, Plan and Report describes in detail how the financing, hook-up costs, and other costs and expenses, were estimated and computed, and therefore complies with Town Law § 209-d(1) as it constitutes the detailed statement therein required, and it is further

RESOLVED AND DETERMINED, that this action was previously classified as a Type I Action under SEQRA and the lead agency, under a coordinated review that duly considered the extension of water and utilities to the project and site, previously issued a Negative Declaration, and an examination of such FEAF and prior SEQRA findings in relation to this project (PB R15-14, July 2015) and the extension of the CWD has been examined and the Town Board has found that no impacts arising from this extension are or are likely to cause any actual or potential impact to become a moderate or significant impact such that no supplemental review under SEQRA is determined to be necessary; and it is further

RESOLVED AND ORDERED, that the Town Clerk of the Town of Lansing, Tompkins County, New York, is hereby authorized and directed to cause this Order to be published in the official newspaper of the Town of Lansing not less than 10 nor more than 20 days before such public hearing, and also to post a copy thereof on the Town signboard maintained by the Town Clerk in accord with law.

The question of the adoption of such proposed Resolution was duly motioned by Councilperson Robert Cree, duly seconded by Councilperson Doug Dake, and put to a roll call vote with the following results:

RESOLUTION AMENDING RESOLUTIONS #17-49 and #17-128 FOR TRUCK PURCHASE

RESOLUTION 17-141

RESOLUTION AMENDING RESOLUTIONS #17-49 and #17-128 FOR TRUCK PURCHASE

The following Resolution was duly presented for consideration by the Town Board:

WHEREAS, the Town of Lansing had adopted Resolution #17-49 (January 18, 2017) and Resolution #17-128 (September 20, 2017) to allocate funds for the Highway Superintendent to purchase a Pickup Truck for the Department of Parks and Recreation; and

WHEREAS, the prior Resolution #17-49 authorized the purchase of a 2017 4x4 Chevy 2500HD Pickup Truck with County Contract #E11-14PFTH and Resolution #17-128 authorized a 2018 model Pickup Truck could be purchased in fulfillment of the 2017 model; and

WHEREAS, the 2018 4x4 Chevy is a 3500HD, not a 2500HD, and the County Contract #E11-14PPTH has now expired, and a 2018 4x4 Chevy 3500HD is available with Onondaga County Contract #7974; and

WHEREAS, upon and after due deliberation upon this matter, the Town Board of the Town of Lansing has determined as follows, and now be it therefore

RESOLVED, that the Parks and Recreation 2018 4x4 Chevy 3500HD Pickup Truck may be purchased with Onondaga Contract #7974.

BOARD MEMBER REPORTS

Andra Benson

Library – Andra stated the Library report was complete and the fundraiser “Cocktails & Costumes” was very successful.

Lansing Youth Services – Andra reported Lansing Youth Services is paying some students that work at the Library.

Robert Cree

ZBA – Robert reported there were no ZBA applications, so the meeting was cancelled.

Doug Dake

Water and Sewer Advisory Board – Doug reported Dave Herrick covered everything.

Planning Board – Doug stated Mike Long covered that report. He noted it will be good to have the Comprehensive Plan Public Hearing completed and then the Town Board can get to it.

Water and Sewer Advisory Board - CWDX3 – Doug stated he was sorry some residents felt they were misled. He noted this bothered him because there is no way the Town of Lansing would mislead them. Doug reported residents had come to the Town Board wanting water; especially because some wells went dry in 2016.

Katrina Binkewicz

Katrina did not have anything to report.

Edward LaVigne

Comprehensive Plan & Zoning – Ed stated people should reach out to him and the Planning Board. He noted he is trying to understand what the residents want and everyone’s opinions matter to him.

Sewer – Ed reported they are making progress on the sewer.

TOWN COUNSEL REPORT

Guy Krogh

New York State Delinquent Taxes – Guy reported he has the official letter from the NYS Comptroller and they will pay all of the back taxes (on the boys and girls school) which total about \$76,000. He noted NYS will not pay any penalties or late fees, which are included in this amount.

MOVE MEETING TO WORK SESSION MEETING

Meeting moved to the Work Session at 7:55 p.m.

WORK SESSION MEETING ITEMS OF DISCUSSION

Dugouts: The following items were discussed regarding the Dugouts: The Dugouts can be named, so the Community Council was able to raise the money. The concrete will cost about \$5,000. The materials will be paid for from the donated money. The labor will be donated which means prevailing wage is not applicable.

BBQ Pavilion: The following items were discussed regarding a BBQ Pavilion: It cannot be located where the pit is now, under the wires. Should it be near the ballfield fence? Serving could take place under the pavilion. Would the Lions be interested in building the pavilion? Is there interest in naming the pavilion after Bob Baker?

Budget: The following item was discussed regarding the Budget: Tompkins County asked the Town of Lansing to pay the County \$5,000 for the Emergency Preparedness Contingency Fund. The Town Board agreed they want to support this and have it added to the 2018 Budget.

Emergency Preparedness: The following items were discussed regarding Emergency Preparedness: What about a “red alert” text on telephones for a variety of topics? How can a lot of people be reached quickly?
