

CONSERVATION ADVISORY COUNCIL

May 8, 2024
6:30 In Person
Lansing Library Board Room

MINUTES

1. Call Meeting to Order

Present: Ed Dubovi, Lisa Scanlon, Brain Boerman,

Absent: Gabby Desnoes, Adam Buck, Todd Walters, John Fleming, Robyn Bailey

Town Board members: Joe Wetmore

With 3 of 8 CAC committee members in attendance, a quorum was not present, but no business was scheduled.

2. Update of CAC activities for the two new committee members.

Review of the status of the Open Space Conservation Plan and possible implementation recommendations to the Town Board.

3. Review of resolution creating the CAC and begin discussion of future efforts, continued.

The issue of easements and how to proceed was discussed. Contact with FLT for setting a future date for a presentation on the topic was identified as an action item.

4. Review of the Climate Smart Communities

Efforts to gain more information on the status of the Town of Lansing with regard to the Climate Smart Communities program and the Clean Energy Communities program were reviewed. A meeting was held with Chris Skawski of CCE with plans for a meeting of interested parties to see if there were opportunities for funding for the needed energy issues of the Town Hall. New CAC members were interested in this aspect of the CAC's responsibilities and desired a more comprehensive approach to the energy issues facing the Town including any new construction.

5. Departmental and Committee Reports

There were no committee reports
